

Geberit AquaClean Care

Shower chair / equipment compatibility report

Author – Simon Thomas

Updated – May 2018

Compatibility

With an estimated 50% of wash dry toilets provided under a DFG grant being used with a type of shower chair or assistive equipment, compatibility is essential.

This report looks at the wide range of equipment available on the healthcare market that works satisfactorily with the Geberit AquaClean 8000 Plus Care wash dry toilet.

Shower Chairs

Attendant or self propel, there is a wide range of upright shower chairs available from several manufacturers.

Osprey Healthcare, Invacare, Freeway (Prism Medical), Aidservice, Chiltern Invadex, and Etac all have a range of upright shower chairs that are fully compatible with the Geberit AquaClean 8000 Plus Care shower toilet.

- Available with or without arms

Chiltern Invadex

A02C Bariatric bench

Key Features

- 24" seat Width
- 55 Stone user weight limit
- Adjustable feet to provide stability on uneven floor

Tips

Removal of Seat gives better clearance for the “Shelf” and allows for full functional use of the wash and dryer functions

Osprey seat height of 19” requires a Geberit seat height of 445mm.

Langham Multi frame also available with a big john seat attachment

Removal of toilet seat requires a Free of charge visit from a Geberit area manager

Toilet Seat Raisers

Toilet seat raisers have been in circulation for many years and have become more popular in recent times due to an increase in manufacturers reducing cost.

Based on the principle actions of a riser recliner chair a seat raiser can help the user to go from sit to stand and vice versa with ease. For those with more complex needs a verticle lift option is also available.

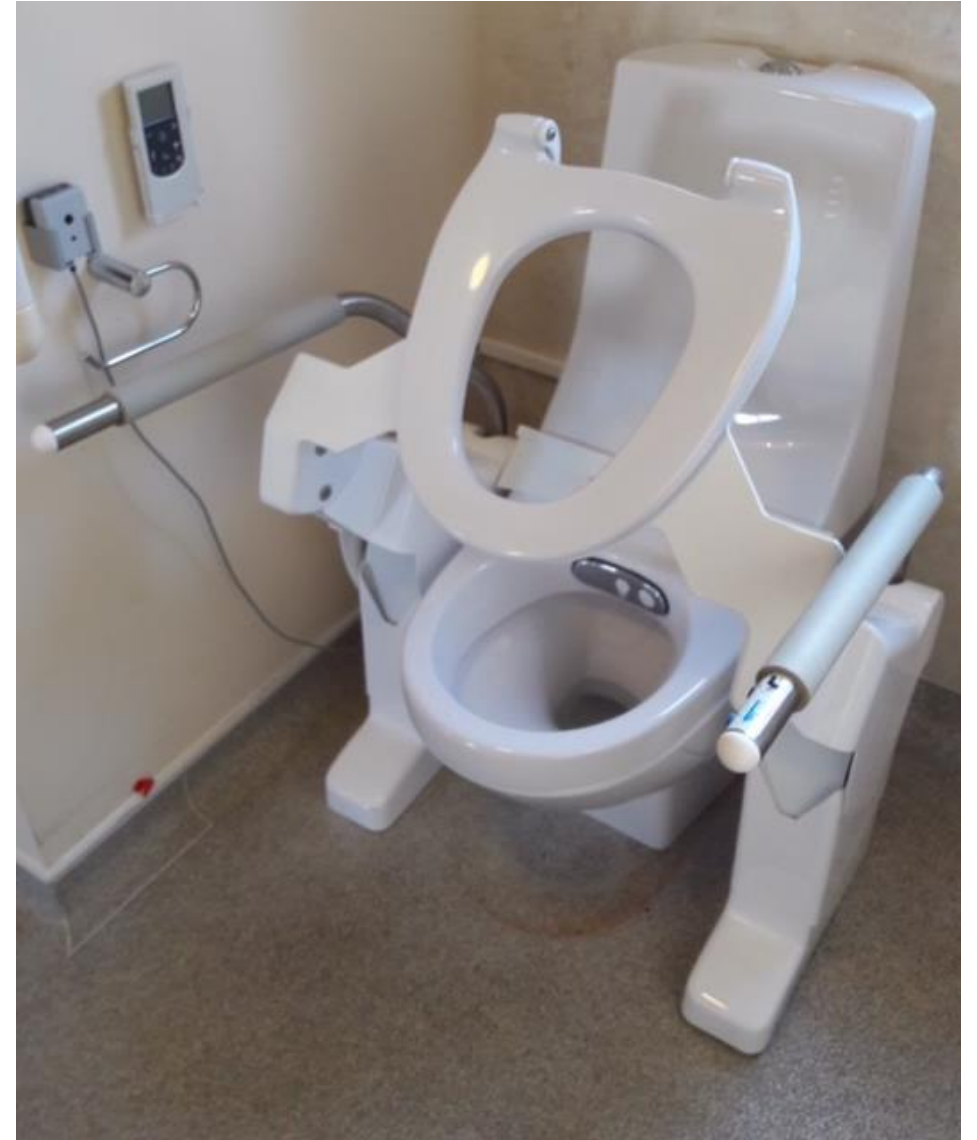

Aerolet (KingKraft)

Aerolet sit to stand

Key Features

- Max user weight 180Kg
- Simple to use controls
- Incorporates Geberit own toilet seat for zero change to function
- Seat seal under frame ensure optimum drying

Aerolet (KingKraft)

Aerolet Vertical lifter

Key Features

- Max user weight 180Kg
- Simple to use controls
- Incorporates Geberit own toilet seat for zero change to function
- Seat seal under frame ensure optimum drying

Lift seat

Lift seat Home
